

Extra-Curricular Learning at St Jude's

We believe that every child at St Jude's should have the opportunity to experience a broad range of extra-curricular activities after school. We aim to provide our children with quality experiences in a familiar environment and encourage our children to socialise. These extra-curricular activities give all our children a chance to celebrate success while participating in activities they may not usually have access to.

- Please remember after school clubs finish at 4.40pm.
- Please ensure that the children are picked up on time.

Dear Parents and Carers

We have looked carefully at the cost of clubs this year, in order to ensure affordability and value for money. The charges in place cover the staffing costs and any resources that are required. The charge for each club this term will be £30.00. This will cover 10 weekly sessions which last an hour, with each session costing £3.00.

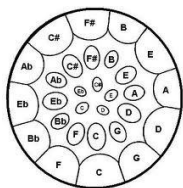

Pupil Premium children will as usual receive a subsidy of half price.

To pay for these clubs please use the secure online parent pay account which can be activated using a unique activation username and password. To use this service please visit www.parentpay.com and activate your account via the Account login area on the home page site. If you have not already got a username and password please contact Mrs. Henderson. If you are unable to pay by this method please send a cheque in a sealed envelope marked for the attention of Mrs. Henderson.
