

Mission Statement

We believe that every child at St Jude's should have the opportunity to experience a broad range of extra-curricular activities after school. We aim to provide our children with quality experiences in a familiar environment and encourage our children to socialise. These extra-curricular activities give all our children a chance to celebrate success while participating in activities they may not usually have access to.

Who we are

- Please remember after school clubs finish at 4.40pm.
- Please ensure that the children are picked up on time.
