St Jude's Church of England Primary School is committed to serving its community and surrounding areas. We recognise the multi-cultural, multi-faith nature of London and United Kingdom and understand the crucial role our school plays in promoting these values.

Democracy

- ✓ Children are involved in democratic processes including voting for school council leaders.
- ✓ Our British Values themed Collective Worship Planning ensures that children are well informed about current affairs including London Mayor Elections and Political Party Elections.
- ✓ Circle times are a focus for relevant discussions about current affairs and how they impact on our school community.
- ✓ Children are provided with a wealth of leadership opportunities within our school. Faith Leaders, Digital Leaders, Play Leaders and Natural Thinkers have key responsibilities including leading assemblies and promoting new projects.

Mutual Respect

- ✓ Respect is embedded within our school Golden Rules, PHSE and SRE curriculums.
- ✓ Whole school initiatives ensure that mutual respect is at the heart of our Christian Family, including the launch of our Wall of Kindness.
- ✓ Our RE curriculum provides a broad and balanced curriculum covering a range of faiths. This is further celebrated during our Faith Week.

The Rule of Law

- ✓ Our behaviour policy reinforces the importance of making the right choice – our Golden Rules are well established and referred to regularly.
- ✓ We have close links with the local community police who have visited our school to lead assemblies and workshops.
- ✓ We regularly review our behaviour incidents in school and share these with governors.
- ✓ Assemblies and parent workshops regularly reinforce the importance of E - Safety rules and keeping children safe on line.

Individual Liberty

- ✓ Our school vision and Christian ethos is well embedded and underpins all that we do in our school community.
- ✓ Children have key roles and responsibilities in school including Peer Mediators, Play Leaders, Fit 4 Life Leaders, Natural Thinkers, Faith Group Leaders and Digital Leaders.
- ✓ Through our broad and balanced curriculum children are encouraged to make choices, knowing that they are in a safe and supportive environment – believing that **“the sky is not the limit”**.
- ✓ Through our E safety sessions and NSPCC workshops the importance of making safe choices remains a fundamental message. This message permeates throughout the school through Anti Bullying week display and “How to stay safe display”.
- ✓ Through cross curricular after school clubs children enjoy a variety of choice including baking, multi skills, Spanish, film and scooter clubs.

Tolerance of those with different faiths and beliefs

- ✓ Our RE curriculum provides a broad and balanced education on a range of faiths, religions and cultures. At St Jude’s there is a strong focus on Christian Values. We follow the Southwark Diocesan Board of Education Syllabus.
- ✓ We welcome a range of different faith leaders to our school, children also visit different places of worship as part of the RE curriculum.
