Agree with your child rules for Internet use in your home:

Try to reach an agreement with your child on the guidelines which apply to Internet use in your household. Here are some tips to get started:

- Discuss when and for how long it is acceptable for your child to use the Internet
- Agree how to treat personal information (name, address, telephone, e-mail)
- Discuss how to behave towards others when gaming, chatting, e-mailing or messaging
- Agree what type of sites and activities are OK or not OK in our family
