Dear Parents and Carers,

Consent form regarding use of photographic images of children

Sometimes we take photographs of children either at school or when they are involved in organised activities away from the school site. We use these photographs and images of children in our newsletter and displays, as well as our school website and on Twitter. We may also make video and web cam recordings for educational use.

If we use photographs of individual pupils, we will not use the full name of that child in the accompanying text or photo caption.

Occasionally, the media may visit our school and may take photographs, film footage or carry out radio interviews. Pupils may appear in these images, which may appear in local or national newspapers.

To comply with the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. Please fill in the form below to give consent for your child to be photographed/videoed.

Kind regards

Miss New
Headteacher
