## Creative Learning Hub Hire

We are seeking to create further income for the school by hiring out the creative learning hub.

Do you know of any groups that are looking to hire additional space in the evenings or at weekends?

The space has:

- ✓ a fully equipped kitchen
- ✓ sound proofed doors
- ✓ interactive white board
- ✓ chairs and tables
- ✓ separate entrance/exit point at Herne Place

This would be a suitable space for filming, choir groups, and training sessions.

Please let us know if you think you know anyone!

Please also share your ideas with the PTA as they are kindly supporting us with this.

Please email [admin@st-judes.lambeth.sch.uk](mailto:admin@st-judes.lambeth.sch.uk)

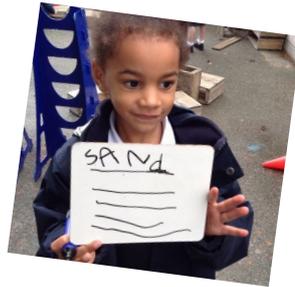

FAO: Miss Douch and Miss New Creative Learning Hub Hire.

Thank you!

# Friday Stars and Dojo Winners!

## Reception

Reception's Friday Star is Amelia. Amelia has shown real enthusiasm in phonics this week. She has been visiting the sounds in the classroom, practising blending and making lots of silly soup. She even wrote the label "sand" independently to match the sand tray. Well done Amelia!

## Class 2

Class Two's Friday Star is Evelyn! Evelyn has shown wonderful effort and attitude to her learning this week. She has made great improvement in her reading and writing. Well done Evelyn, what a super week!

## Class 1

Class One's Friday Star is Eric! Eric has been doing some fantastic writing and number work this week. He has been making number lines from 0-20 and pointing out missing numbers. Great job Eric!

### *This week in Reception...*

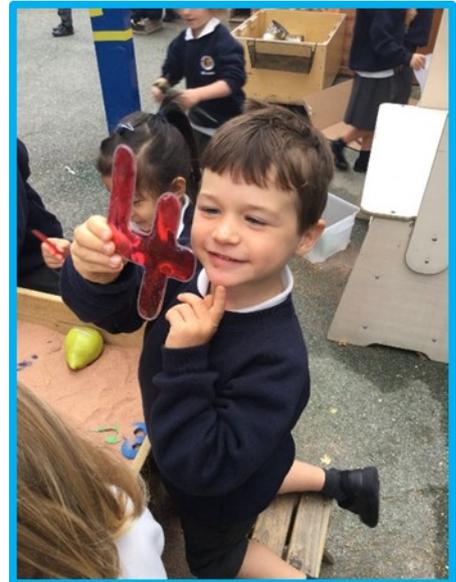

Our topic this term is Family and Friends. The Reception children have been bringing in photographs of their families to share with the class. We have created our very own

family and friends wall and have been using some fantastic vocabulary to talk about our families. Leo said "Now we can look at the family wall if we miss them."

In phonics this week we have learnt the sounds: s, a, t and p. We have been on sound hunts to find items beginning with these sounds, both in school and also at home. Zoe even woke her parents up early with a shout of "t for tortoise!"

In maths this week we have been counting up to 5 and comparing numbers. We have learnt to use the words "more" and "fewer" to describe amounts. We have been loving using our number knowledge to follow potion recipes!

We have been getting creative in our outside area this week. We used paint brushes, rollers, sponges and even squeegees to explore paints and colours. We have been painting on a large scale, using a cling film frame, which we then washed off ourselves and used all over again. Nai'la got stuck in with some finger painting too!

As part of our Black History Month celebrations this week we have been learning about Tanzania. We read the story "We All Went on Safari" this week and learnt to count to 5 in Swahili. Amelia has been perfecting counting in Swahili and is ready to teach others!

In music this week we have been singing nursery rhymes and joining in with repeated refrains. We have also been singing our Silly Soup song, which we have loved sharing with our adults at home.

In PE we have been practising throwing and catching a ball, and rolling a ball to our partners. Sam and Elsie were the stars of the show with excellent control.

We have had a wonderful week of learning!

## Year 5 Prayer Corner

Our prayer this week have been written by

Dear God,  
Thank you for helping us to go to  
School and for it not being virtual.  
Sorry for anything bad we may  
have done today.  
Please make sure we have a good  
night sleep and that we wake up  
ready and refreshed  
Amen

## Sumdog Lambeth Contest

It's time to show off our mathematical prowess again! Today is the start of the Lambeth Sumdog Contest. 37 classes have been entered from across the borough, battling it out to answer as many maths questions correctly as they can.

The children can choose which game they play, while Sumdog automatically adapts it's questions. Each correct answer the children give counts toward their score.

During the contest period, students who are entered will see the contest activity on their homepage. Any games they play when this is showing will count towards their score. Each student who answers 100 questions in a contest will be rewarded with an item for their Sumdog house.

The contest ends on Thursday 15th October.

Good luck!

## SIMS Pay update

Dear parents,

We are happy to inform that the issues we were having with the Sims Pay App have now been sorted.

Please let us know if you are still having any trouble to use it, or if you see any inconsistencies.

Thank you.

*Mrs Miller*

## Talking Space

### Promoting Children's Well Being at St Jude's CE Primary School

Talking Space is the **self-referral** aspect of our emotional well being service in School. It is open to all children in Key Stage Two.

It is mainly an opportunity for children who **may not** be receiving one-to-one or group work support with Alison our Art Therapist.

The service gives the children access to Alison to talk about issues which may be of **concern** to them.

Children are encouraged to consider what issues may be concerning them and how the opportunity to talk about them and consider solutions may be helpful.

Children are given a 15 minute appointment in their lunch break.

Children are encouraged to fill in the appointment slips themselves. However some children also bring friends along to Talking Space.

No more than three children should attend one Talking Space appointment.

## Secondary School Transfer

Families can go onto the school's website for a virtual visit. Families can call to visit for a Covid secure personalised tour.

Would you like to volunteer?

## Volunteer with Home-Start Lambeth

### Looking for something meaningful?

We know everything feels a bit uncertain at the moment.

We're looking for volunteers who can offer just one hour of remote support a week.

### Could it be you?

Can you offer support, friendship and practical help to families across Lambeth?

Find out more by emailing us:  
[info@homestartlambeth.co.uk](mailto:info@homestartlambeth.co.uk)

or call the office on:

**020 7924 9292**
