## Reception's Learning this Week

*This week in Reception...*

*Our topic this term is...SPACE!*

*Stan's planet painting*

*This week in Topic we have been learning about the International Space Station. Did you know that the ISS is the biggest manmade object in space? Did you know a spacecraft can land on the ISS as soon as four hours after leaving Earth? Did you know that Reception are*

*space experts? Ask us about our space learning - we're full of facts! Here you can see James and Sam's models of the ISS.*

*In art we have been making rocket pictures using our feet. We painted our feet (it was tickly) and decorated our foot print to look like a rocket. Check out these rockets by Chloe and Saira!*

Our RE focus question for this term is: Who cares for our wonderful world? We have been going on lots of walks outside and taking note of the nature around us. This week Zaleah created a collage of objects she found in Brockwell Park and Dora drew a beautiful "appreciation drawing" showing our wonderful world.

In PSHE we have been learning about resilience and the importance of never giving up. We talked about all the things we couldn't do previously and now we can. Sarai told us that she couldn't ride a bike last year but now she has mastered it. Alex told us that using scissors can be tricky but every time he practices it gets easier. Here he is with a star that he cut out himself! We are so proud of the resilience shown in Reception, especially during our remote learning.

Keep up the fantastic work Reception - you're doing so well!

# Friday Stars !

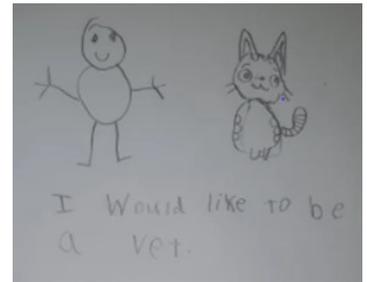

## Reception

Reception's Friday Star is James. James has been doing some amazing work around our Space topic. This week he turned his bedroom into the International Space Station and took us on a tour of all the areas he uses as an astronaut. He also created this amazing model of the ISS using recycling. Well done James!

## Class 1

Class One's Friday Star is Jelani! He has been working extremely hard on his writing and using the best words he can! In PSHE this week Class One were thinking about their dreams and goals and what they want to be when they grow up. Jelani would like to be a vet, great choice Jelani!

## Class 2

Class Two's Friday Star is Martha! Martha has worked exceptionally hard during home learning and has taken part in lots of different activities. We loved seeing her build a sukkah this week for her learning about the Jewish celebration of Sukkot and her drawings of different animals suited to a polar habitat. Keep up the great work Martha!

## Class 3

Class Three's Friday Star is Leila for an outstanding Kennings performance. In English this week Y3 were asked to write and perform a Kenning (an Anglo-Saxon poem). All the videos were amazing but I loved Leila's barefooted performance in the garden. She finished her poem halfway up a tree! It was incredible! Great work Leila.

## Class 5

Class Five's Friday Star is Stella. Stella has been incredibly dedicated to her learning this week, and in particular has shown great enthusiasm in maths. Stella has modelled mathematical concepts to other children, has been helping out others in her bubble with their maths learning and also created a brilliant maths video for me which she filmed at home. Keep up the fantastic learning Stella!

## Class 4

Class Four's Friday Star is Lila. Lila has been extremely resilient in her maths learning this week. I am so proud of her determination to keep trying her very best. She has also shared some fantastic videos with amazing facts about the Stone Age. Keep up the brilliant work.

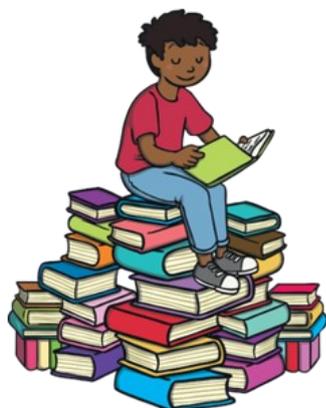

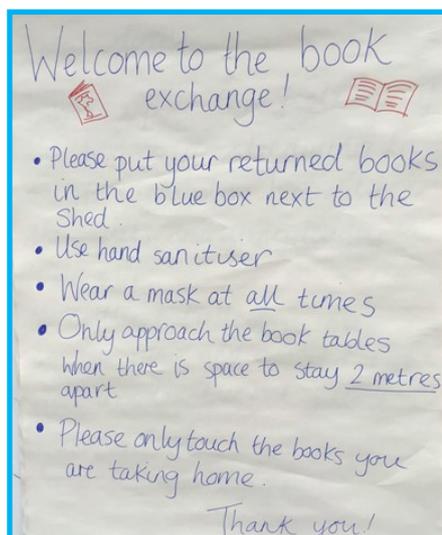

## Class 6

Class Six's Friday Star is Finlay. Finlay produced an excellent piece of descriptive writing about the Aido Hwedo dragon as part of our English. He used a range of punctuation as well as challenging vocabulary. In doing so, Finlay managed to capture the petrifying features of the serpent-like dragon perfectly - well done Finlay!

## Book Exchange!

We have had another very successful week at the book exchange which saw our children having the opportunity to choose from a range of exciting books. The books include banded books, picture books and chapter books for our lovely children to choose from. Thank you to everyone who visited. These books are available every Wednesday outside the Reception outdoor area and run on a help yourself basis. Please check the timetable for your child's slot. Happy reading!

Wednesday Year Group Slots	
Reception	9.45 – 10.30
Year 1	10:30 - 11:15
Year 2	11:15 – 12:00
Year 3	12:00 – 12:45
Year 4	12:45 – 1.30
Year 5	1:30 – 2:15
Year 6	2:15 – 3pm

## Free resource explaining Covid to younger children

You may recall having seen this resource during the first lockdown last year.

Under the current circumstances, we thought it a good time to share this (slightly updated version) once again.

So many children are feeling worried and anxious, this could help alleviate some of their fears. It has received some wonderful feedback (included below). Please feel free to share this with your children and on your social media.

## Updated Guidance – COVID 19

As we continue throughout this lockdown until at least Monday 8<sup>th</sup> March, here are some reminders from the government guidance.

It remains more crucial than ever that we follow the guidance to help keep our community safe and relieve pressure on the NHS.

### Leaving home

You must not leave, or be outside of your home except where necessary.

You may leave the home to:

- shop for basic necessities, for you or a vulnerable person
- go to work, or provide voluntary or charitable services, if you cannot reasonably do so from home
- exercise with your household (or support bubble) or one other person (in which case you should stay [2m apart](#)). Exercise should be limited to once per day, and you should not travel outside your local area.
- meet your [support bubble](#) or [childcare bubble](#) where necessary, but only if you are legally permitted to form one
- seek medical assistance or avoid injury, illness or risk of harm (including domestic abuse)
- attend education or childcare - for those eligible

### Meeting others

It is against the law to meet socially with family or friends unless they are part of your household or support bubble. You cannot leave home for recreational or leisure purposes (such as for a picnic or a social meeting).

***This is taken from the government guidance that was updated on the 28<sup>th</sup> January 2021***

**Love Your Neighbour** are operating an emergency food bank as part of the pandemic response. Food parcels contain food items to supplement a household's food supply for a week and will be catered to the size of the household. Please fill in the form to request a food parcel delivery.

[https://forms.office.com/Pages/ResponsePage.aspx?id=bB-JN6Nh50m4JefrdzT0UCikEOvLKhdEnY\\_0b5k3eT5UQUw3MINSOTIUNVg1NjEwWD\\_BGSTVDUERMR4u](https://forms.office.com/Pages/ResponsePage.aspx?id=bB-JN6Nh50m4JefrdzT0UCikEOvLKhdEnY_0b5k3eT5UQUw3MINSOTIUNVg1NjEwWD_BGSTVDUERMR4u)

**Lambeth Larder** provides invaluable information about the range of services throughout Lambeth who provide free emergency food including how to access each of these services.

<http://www.lambethlarder.org/emergency-food.html>

HEALTHY  
START

**Healthy Start** provides families with free vouchers every week to spend on milk, fresh, frozen, and tinned fruit and vegetables, fresh, dried, and tinned pulses, and infant formula milk. You can also get free vitamins. You qualify for Healthy Start if you're at least 10 weeks pregnant or have a child under 4 years old and are in receipt of welfare benefits. Access information and application details via <https://www.healthystart.nhs.uk/>

**Foodbanks** provide a minimum of 3 days emergency food and are currently providing a delivery service as part of the pandemic response. Families can call free on 0808 208 2138 to talk confidentially to a Citizens Advice adviser to request a foodbank voucher. The phone line is open from 10am – 4pm between Monday and Friday.
