We had a visitor to school this week to teach us all about how to use our scooters safely.

In art we have learnt about cubism and how we can use different shapes and colours to create images.

In R.E we are learning about the Lord's Prayer. We learnt about the line 'Lead us not into temptation' and watched a great video of a kid trying to not eat the sweets until her parents came back. Have a go at this challenge at home!

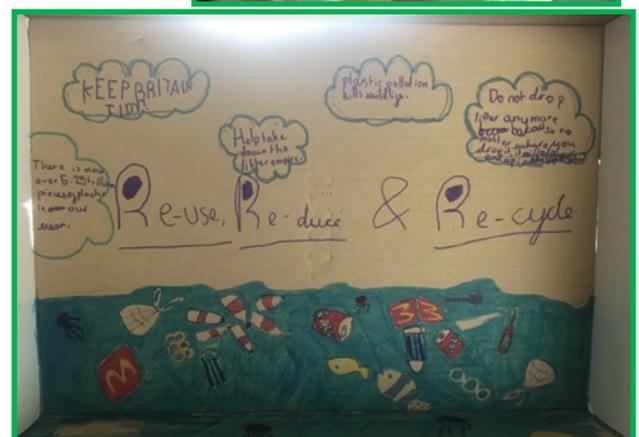

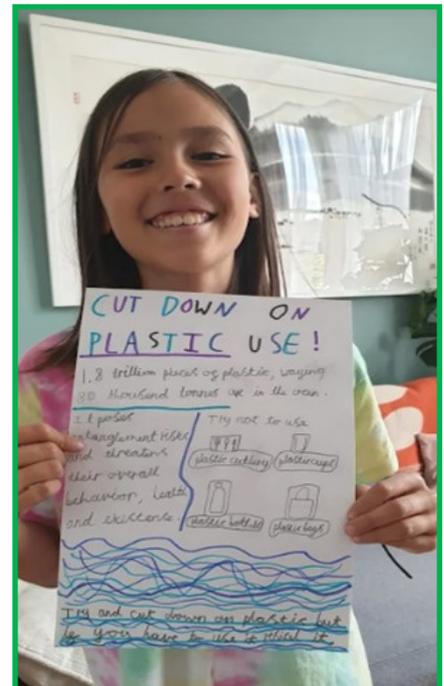

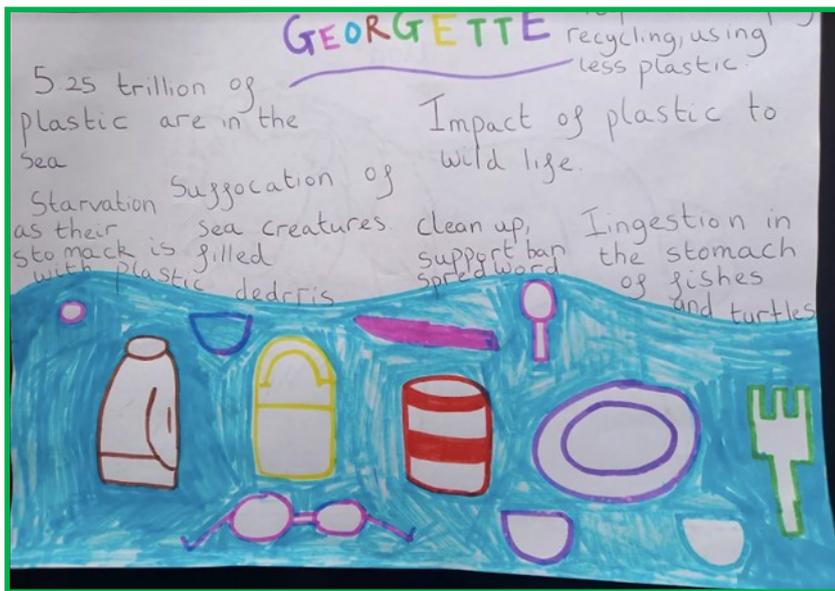

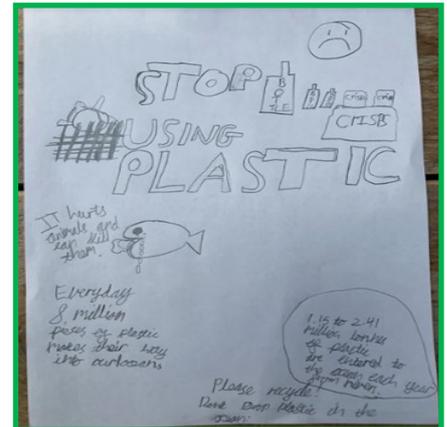

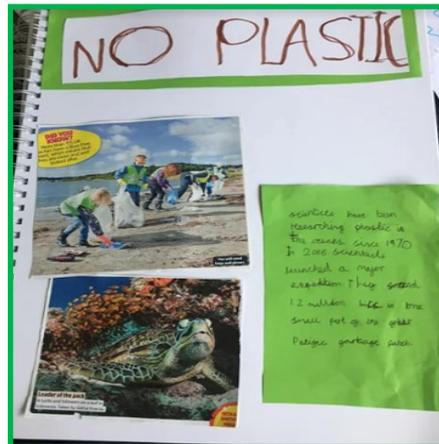

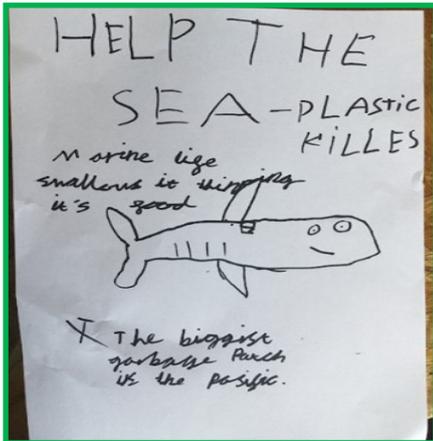

The Institute of Imagination Visit

Year 1 and Year 2 had an inspiring afternoon last week with The Institute of Imagination. They got top tips and techniques on how to build and design with paper, then they designed their own paper cities. They had a brilliant time. Take a look at their creations!

What has the Year 3 Class been up to this week?

We are so proud of our Year 3 bubble! They have shown such resilience and motivation in their remote learning this week. We have been learning about trash islands in the ocean and the huge impact they have on ocean life. The children designed posters to help tackle plastic pollution - we think they've done a great job!

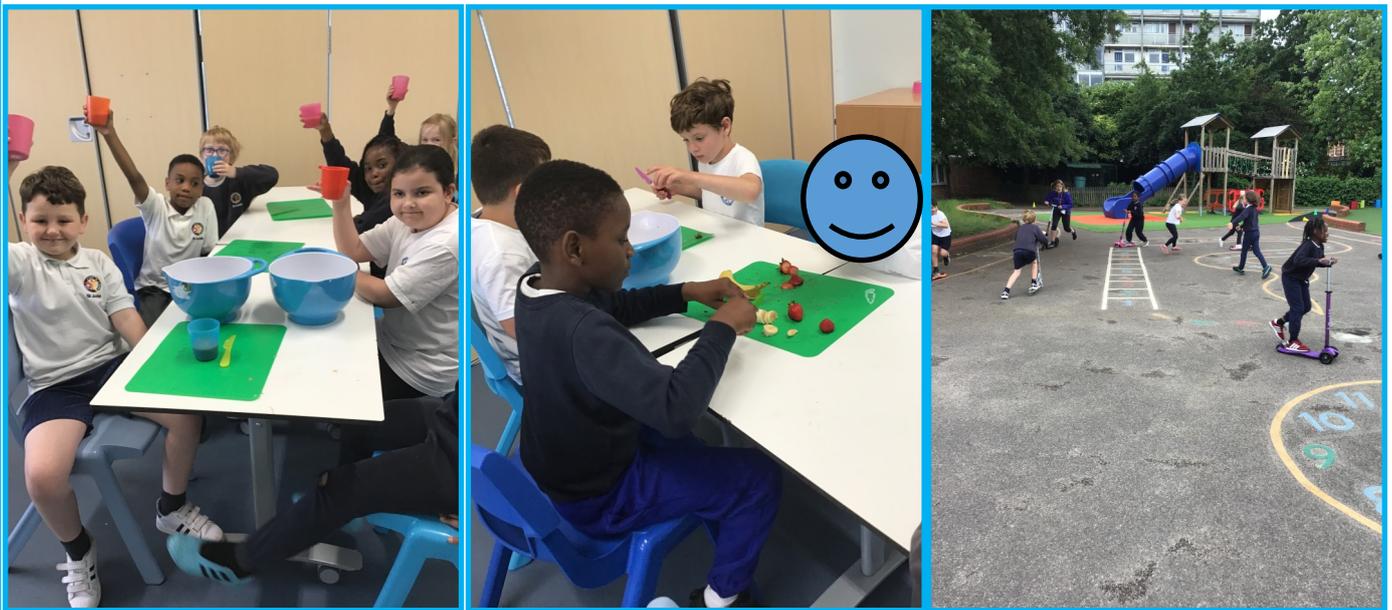

Health and Fitness Week

Despite a disrupted week, St. Jude's still went ahead with Health and Fitness week. The classes completed their daily mile run/walk around often very soggy playgrounds. I saw Yr. 1, Mr Ellis and Miss Haydon all braving the rain while completing their morning mile. Great work!

Throughout the week, classes had the chance to make smoothies with their adults in the hub. All recipes sounded really good and Yr. 2 sent in some great pictures of them enjoying their drinks!

Furthermore, there was scooter training in the KS1 playground which looked fantastic.

For now Sports Day has been postponed. We will update you with any news as soon as we know. Best wishes from Mr Cutts.
