Transport

English:
In English we will be:

- Reading The Naughty Bus and Emma Jane's aeroplane to support our writing.
- Developing our prediction skills.
- Learning the use of adjectives to make writing more detailed.
- Using words like 'and' and 'because' in our writing.

Computing:
In computing we will be:

- Becoming confident in logging on and off.
- Opening a programme on the laptops.
- Saving work on laptops.

Art & Design:
In art we will be:

- Exploring using primary and secondary colours.
- Making our own mode of transport.

Food Technology:
In Food Technology we will be:

- We will be making gingerbread biscuits.

PE:
In P.E we will be:

- Practising athletic skills based on running, jumping and throwing.
- Developing balance, agility and co-ordination through gymnastics.

Humanities:
In humanities we will be:

- Comparing the past to the present.
- Using language to describe the passing of time.
- Ordering modes of transport chronologically.

To make this topic even more relevant, and ensure the knowledge sticks, the children will:

- **Make their own mode of transport using cardboard and paints.**

Science:
In Science we will be learning about:

- The human body and the name of basic parts.
- Identifying which part of the body is associated with each sense.
- Recognising how humans are different from other animals.

Maths:
In maths we will be:

- Learning about place value to help us order numbers from smallest to greatest.
- Using addition skills to compare two sets of number bonds.
- Using subtraction to answer reasoning questions.

Music:
In music we will be:

- Learning songs about transport.
- Using drums to make a beat.
- Learn about rhythm and how it can change.

RE:
In R.E we will be learning about:

- What is a Baptism?
- How do Christians welcome people into the church?

Personal, Health, Social and Citizenship:
In PHSE we will be:

- Learning about 'Being Me in My World.'
- How can we make Class One a happy place to be for everyone?
