

Seasons

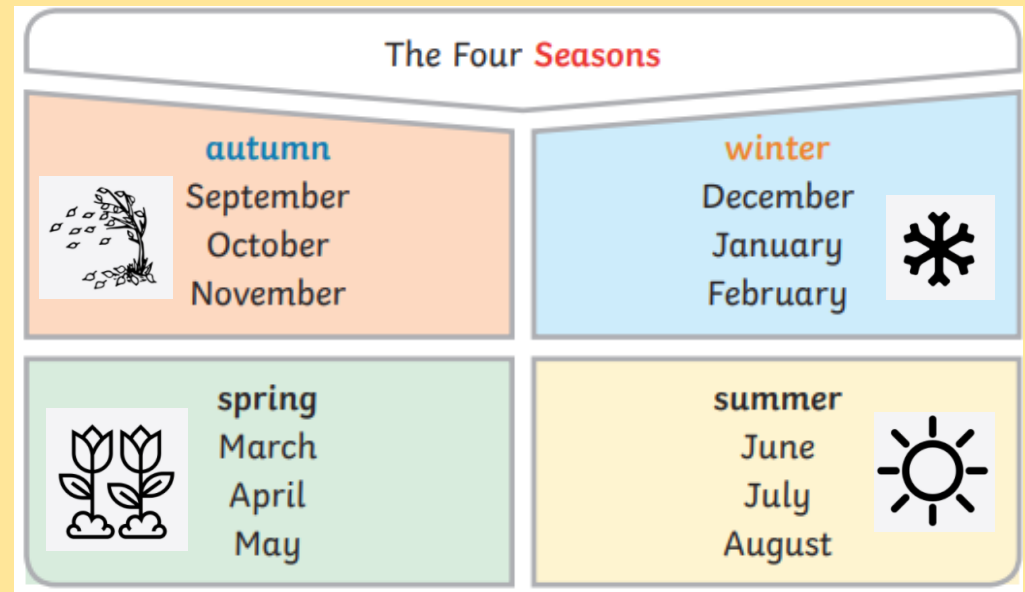

Key vocabulary:

- Seasons - There are four seasons in a year.
- Spring - The weather starts to get warmer.
- Summer - The weather is at its warmest and it is lighter for longer.
- Autumn - The weather starts to get colder and leaves fall off the trees.
- Winter - The weather is its coldest and it might even snow!

Links

- In Reception we learnt about and observed the different seasons.

Key Knowledge:

Key people:

Name: Jim Cantore

Job: Meteorologist and weather forecaster

When extreme weather comes, Jim lets everyone know!
