

Key Vocabulary:

lighthouse - a tower or building used to help guide boats with a light.

harbour - a sheltered part of the sea where boats and ships can be docked.

coast - an area where the land meets the sea.

cliff - an area of high rock found on the coast next to the sea.

Seaside Surprise!

Key Knowledge: Seaside now and then

Links:

Reception - We learnt about comparing things from the past to now.

Year 1 - In Year 1 we learnt about comparing the past to now in transport. We also learnt about Mary Anning in our dinosaur topic - a significant individual.
