Message from the Acting Headteacher

We have had a wonderful, busy week at St Jude's! It was great to welcome Frederick Afrifa to our school as he put us through our paces in the sponsored event. Please continue to send in sponsorship forms and we will let you know our final total as soon as can!

We are looking forward to seeing parents at the Introductory Talks for each year group. This is an opportunity for your child's class teacher to explain routines, timetables and the year group expectations. It is also an opportunity for you to ask any questions you may have. Your child's meeting date and time can be found in the 'Important Dates' section of this newsletter.

Unfortunately, Mr Dunford-Crozier is still unwell so will not be school for the time being. The school is running as usual and I have sent him all your kind words and well-wishes.

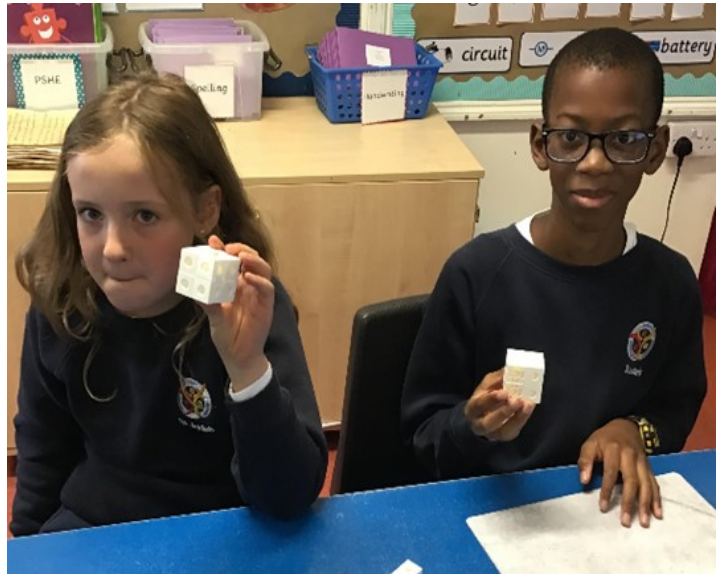

I hope you have a relaxing weekend and God bless.

Miss Douch

What have Year 6 been up to?

Year 6 have had a very busy week this week!

In maths, we are learning about multiplication. We learnt what square and cube numbers, and how they got their name. We used unifix cubes to represent cube numbers. Can you work out which number has been cubed?

We were very lucky to have Frederick Afrifa come and visit as part of the Sports for Schools campaign. We took part in lots of different exercises alongside some other classes!

What have Year 6 been up to?

In art we have been exploring the work of the Victorian artist, William Morris.

We created our own designs inspired by his artwork. We learnt about the printing techniques that were used to create his work, and printed our own boards onto paper to create repeating patterns.

Friday Stars !

Reception

Reception's Friday Star is Leander. Leander is always so enthusiastic about learning! This week he has been reminding us all of the new phoneme for that day, creating some amazing construction pieces, and subitising numbers 1, 2 and 3. Well done Leander!

Class 2

Class Two's Friday Star is Nathan. Nathan has been amazing in English sessions, he has really impressed us with his attitude! He has used wonderful vocabulary in lessons and produced some amazing writing about the Great Fire of London.

Class 4

Class Four's Friday Star is Kayla. Kayla has been so proactive in her learning by always putting her hand up, asking questions and trying her very best. We are so proud of you Kayla, keep this up superstar!

Class 6

Class Six's Friday Star is Alicia. Alicia has been very helpful supporting other children with their maths work. She has used brilliant maths vocabulary to do this, and has exemplified our St Jude's value of being helpful.

Class 1

Class One's Friday Star is Janai. She has been trying really hard in phonics and showing lots of resilience in her learning!

Class 3

Class Three's Friday Star is Joe! Joe has made such an amazing start in Year Three and I have been absolutely blown away by his maths. He's always able to think of different ways to solve problems and loves challenging himself within lessons. Great job Joe, keep it up!

Class 5

Class Five's Friday Star is Louis. Louis has been incredibly enthusiastic and in our maths lessons. He has made some fantastic contributions to whole class discussions and has worked well with his partner. Louis has also been incredibly kind and helpful this week. Keep up the great work Louis!

Dojo Winners

With **321** points, this week's winners are:

Year 5!

You got most of your dojos for being so prepared in your learning! Well done and keep up the hard work!

Saints and Workers of the Week

Each week, the staff nominate children to be our Saints and Workers of the Week.

Saints of the Week are children who have worked really hard to live out our Christian school values:

- We work well together
- We are prepared and helpful
- We are resilient
- We are there for one another
- We celebrate each others' success

Workers of the Week are children who have shown huge effort and progress in their learning.

This week we are celebrating:

Saint of the Week

Joe, Year 3

For showing our Christian value of being there for one another.

Worker of the Week

Florence, Year 6

For your amazing model of a Victorian workhouse, inspired by your learning about Oliver Twist.

Message from the PTA

Thank you to everyone who helped with the uniform and cake sale on Friday. We raised a fantastic £358 for the school which is wonderful.

We also have our first PTA meeting of the year at 9am after drop off on Friday 7th October. We hope lots of you will join us to find out more about the PTA and the plans we have coming up this year.

The PTA is a great group of parents and teachers to be part of so for anyone new to the school, please do come along. All new members welcome!

Could you be a Parent Ambassador?

Parent Ambassadors

We are looking for parents and carers to support St Jude's by acting as **Parent Ambassadors**, sharing your personal experiences of the St Jude's community.

The role would include things such as:

- ➔ Meeting prospective families during Reception school tours
- ➔ Acting as a point of contact for new families
- ➔ Supporting families whose children transfer from another school

Please email admin@st-judes.lambeth.sch.uk or pop into the office if interested.

Can you help us?

Grown Ups' Library

At St Jude's we really value the importance of reading for pleasure! We would like to create a Grown Ups' Library in the front entrance to the school. This would be a place for adults to share unwanted books and pick up their next read!

How can you help?

- * We are looking for a small book case or shelving unit to house our library. This should be no higher than 1 metre and no wider than 1 metre. Please contact the school office if this is something you think you could help with.
- * We are also looking for donations of books you have enjoyed and would like to share with others (there will be a donation box in the office area to start our collection!)

Key Stage 1 Playtime Toys

During the lunchtime playtime, we have a range of toys out in the playground for the Key Stage 1 children. This is to support their play and development. Unfortunately our current toys are looking a bit tired and depleted!

How can you help?

- * We are looking for donations of toys such as dolls, building blocks, vehicles, train sets (plastic or wooden), and play food. If this is something you think you could help us with, please contact the school office.

Special Educational Needs & Disabilities Surgery

Hello Parents, Carers and Friends of St Jude's!

In case we have not met, my name is Ms Fender. I am the SENDCo (Special Educational Needs and Disabilities Co-ordinator).

I will be starting a SEND Surgery for any parent or carer who has concerns that their child may be struggling to learn as a result of illness, an existing condition, anxiety or something else...

Who? Parents or Carers can meet with Ms Fender

Why? My working days are Monday's, Thursday's and Friday's, so I would like to offer a time solely dedicated to meeting with you about your concerns regarding your child's challenges to access the curriculum.

Where? You can choose to meet face-to-face or via telephone

When? First Friday of the month

Time? 10 minute slots between 09:30 and 12:30

How? Telephone the Office and request to book for SEND surgery. Bookings can be made on the week of the surgery.

Further support and information on the SEND Local Offer can be found on the schools website.

If you have any immediate concerns, please speak with your child's Class Teacher.

Next SEND Surgery: Friday 7th October
