A Visit from the Chancellor!

Yesterday we were visited by the Chancellor of the Exchequer, Jeremy Hunt.

We showed him around our wonderful school and introduced him to some of our classes.

Year 5 and 6 got the opportunity to meet him, explain what they have been learning about and ask him some questions of their own!

Lilias, Year 5: "He asked us if we would go to space or Mars. He was in our art lesson and he saw us making clay planets; we were making the solar system! When all the people came in, everyone was saying 'Is that him?' He came and sat with us and sat in front of me. It was amazing. When we came home I put on the 6 o'clock news. I saw people in Year 6 and me on the news!"

Leo, Year 5: "He asked us which planet was the closest to Earth. It was very exciting to meet Jeremy Hunt. I saw St Jude's on the BBC News yesterday. I got to sit next to him. He was talking to me a lot and asked a lot of questions about what we were learning."

Jordan, Year 6: "I remember when Jeremy Hunt stepped near us. All the cameras started flashing. It was quite nerve wracking. It is really cool that he is chancellor and he took the time to visit our school."

Friday Stars !

Reception

Reception's Friday Star is Iyla. Iyla is always ready to learn, always kind to others, and always gives everything her best. What a star!

Class 2

Class Two's Friday Star is Stan! Stan has tried really hard in his story writing this week and has impressed us with his use of different punctuation. Stan used commas, full stops and exclamation marks in his work. He also has made the most amazing circus tent to help his learning. Well done Stan, great work!

Class 4

Class Four's Friday Star is Sienna. Sienna has shown brilliant motivation in her writing this week. She created a poem with lots of poetic devices and annotated it noting down how she would change her tone of voice. She has impressed us so much with her performance skills! Well done Sienna!

Class 6

Class Six's Friday Star is Merryn. Merryn has worked really hard this week writing a balanced argument about a question based on our class text, Floodland. Miss Mcleish is so impressed by your writing and your use of a range of year six writing features. Well done!

Class 1

Class One's Friday Star is Alex for fantastic listening during class discussions.

Class 3

Class Three's Friday Star is Basma! Basma has been making a fantastic effort in all of her learning and has been really following the St Jude's values. She has been fantastically working independently and should be extremely proud of herself! Great job Basma!

Class 5

Class Five's Friday Star is Joanita. Joanita has had an amazing first week in St Jude's. She has tried incredibly hard and has made some great contributions. She has settled into our school incredibly well! Well done!

Dojo Winners

With **391 points**, this week's

Class dojo winners are:

Year 2!

You got most of your dojos this week for focussing on your learning and supporting one another!

Saints and Workers of the Week

Each week, the staff nominate children to be our Saints and Workers of the Week.

Saints of the Week are children who have worked really hard to live out our Christian school values:

- We work well together
- We are prepared and helpful
- We are resilient
- We are there for one another
- We celebrate each others' success

Workers of the Week are children who have shown huge effort and progress in their learning.

This week we are celebrating:

Saint of the Week

Aria, Year 1

For always being prepared and ready to learn.

Worker of the Week

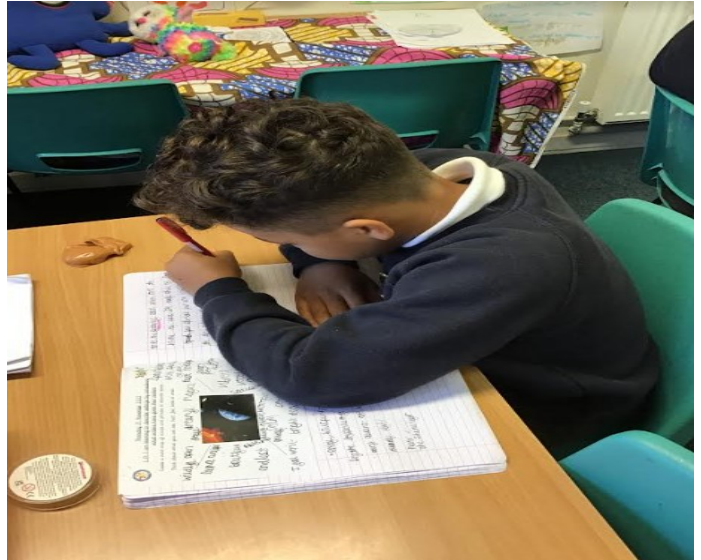

Mark, Reception

For your amazing independent writing about fireworks and your great attitude towards learning.

What has Year 5 been up to?

This week year 5 have been reading Zathura, a story about some brothers who play an enchanted board game and end up in outer space! We wrote our own descriptions of space.

In art we have been creating our own clay solar systems. We have used rolling, pinching and threading to ensure our planets hang.

What has Year 5 been up to?

In our RE lessons we have been learning about how art and music convey the meaning of Christmas. We looked at different artists' representations of Jesus at different stages in his life.

We identified symbology in artwork and thought about how the artist viewed Jesus. We created our own artwork of Jesus at different stages in his life to represent how we view Jesus.

Communication with School

As a school, we may use SIMS to send emails to parents. In this scenario, the email address would end in **@sims-communications.co.uk**

When emailing the school office, please make sure that you always use the **admin@st-judes.lambeth.sch.uk** email address and not the SIMS communication email address above. This is to ensure that we definitely receive your messages.

Thank you.

Important Dates

Whole School (Reception—Year 6) Flu Immunisation

Monday 5th December (*letters have been sent to parents and carers to get consent*)

Trips and Visits
