What has Year 3 been up to?

We have had a very busy and packed week in Year Three! We've been doing lots of practice for our upcoming Class Assembly and cannot wait to show our grown ups and the rest of St Jude's!

In maths we have started our new learning which is 'Length and Perimeter'. We took it in turns to measure each other, objects in the classroom and then the classroom itself.

What has Year 3 been up to?

For English we have been reading the book 'The Rabbits' by John Marsden and Shaun Tan. It's about Rabbits who invade and take over the land of the Nunbats.

We had lots of class discussions about what the Nunbats could do and then created 'Save the Nunbats' posters to raise awareness!

Special Educational Needs & Disabilities

Surgery

Hello Parents, Carers and Friends of St Jude's!

In case we have not met, my name is Ms Fender. I am the SENDCo (Special Educational Needs and Disabilities Co-ordinator).

I had been off due to illness, but am back and excited to re-start my *SEND* Surgery. These sessions are open to any parent or carer who has concerns that their child may be struggling to learn as a result of illness, have an existing condition, anxiety or something else...

Who? Parents or Carers can meet with Ms Fender

Why? My working days are Monday's, Thursday's and Friday's, so I would like to offer a time solely dedicated to meeting with you about your concerns regarding your child's challenges to access the curriculum.

Where? You can choose to meet face-to-face or via telephone

When? First Friday of the month

Time? 10 minute slots between 09:30 and 12:30

How? Telephone the Office and request to book for SEND surgery. Bookings can be made on the week of the surgery.

Further support and information on the SEND Local Offer can be found on the schools website.

If you have any immediate concerns, please speak with your child's Class Teacher.

Next *SEND* Surgery: Friday 3rd February

St Jude's Winter Bank

To support families in the coming months, we have established the St Jude's Winter Bank. The Winter Bank is for the entire school community, stocking cupboard essentials and warm wear for the winter months ahead. The Winter Bank collection is separate from our Food Bank collection for Harvest; it will remain in school for any families who need it in the coming months. If you require any items, please visit us at the school office. If you would like to make a donation, we will be collecting before and after half term. Thank you for your ongoing support during these challenging times.

Please don't forget we are still accepting contributions for the Winter Bank.

Your continued support is much appreciated.

Thank you.
