### **Home-School Communication**

We value good communication between school, parents and the wider community. It is important to us and helps build a community of trust and understanding that is at the heart of a good school. If you would like to share something with us, our staff are always pleased to make time to speak with you face to face.

- ✓ To speak to a teacher or the headteacher please call the school office to make an appointment. You can also speak directly to your child's class teacher after school every day to pass on a piece of information or book in a meeting.
- ✓ Teachers are available at the start of the day to pass on a quick message or ask a quick question – for longer conversations, please arrange a meeting so they can dedicate the time and attention that you require.
- ✓ We do not use email for extended communications with parents or carers. If you do email us your concerns we will offer to meet with you face to face and not respond by e mail to the issues you raise. Good communication and understanding relies much more on body language, tone of voice and empathy than it does in simple words in an email, and we want our communication with you to be clear, open, honest and productive.
- ✓ In common with most schools, we do not consent to any conversations at school being recorded.
- ✓ We give permission for parents, carers and family members of pupils to photograph a school event – such as Nativity, Class Assemblies and Sports Days. We politely request that these images are not used on social media. Videoing events is not permitted unless there is consent from the headteacher.
- ✓ Whats App class groups can be a useful means of communication between parents and sharing information about the school day. However, if you have any queries about daily school arrangements/management decisions please contact the school directly.

**When accepting a place at St Jude's, you are agreeing to the Family School Agreement outlined above.**
