## What have Reception been up to?

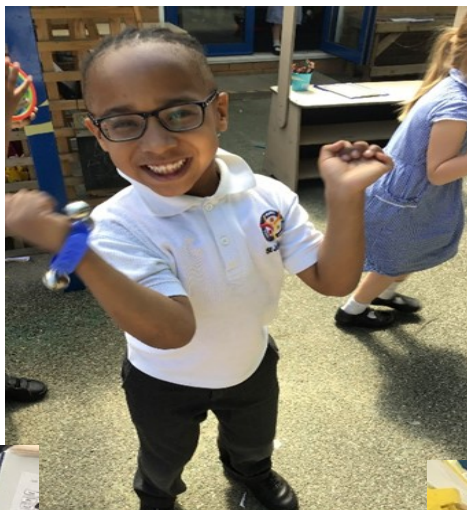

Reception hosted their very own Intergalactic space ball, inspired by Deborah Underwood's "Interstellar Cinderella." We made our very own wands, learnt lots of new dance moves and baked banana muffins – they were delicious!

## What has Reception been up to?

This week Reception have been having a wonderful time with our new musical instruments. We have been learning the names for the instruments, exploring the sounds we can create with them, and forming our own bands. This was all made possible by the very kind donation of instruments from Chamberlain Music. Thank you!

## Summer Fair !

### 2 weeks until the Summer Fair!

It can't happen without volunteers, if you can help on a stall (even 30mins is wonderful!) or have an idea for a food\* stall / fun activity that you would like to run, get in touch with your class rep or Liz (Zadie, YR, Leo Y2). We're particularly trying to get coffee and pizza for the day.

### Message from Ms Andrew

There has been a change to the PE time table for summer term 2. The children will be having PE on **Tuesdays** and **Wednesdays**.

### After School Clubs Reminder

There are still places remaining in the following clubs:

Coding Club - Monday  
Board Games - Tuesday  
Netball - Tuesday  
Athletics - Thursday

Please go to the office to fill out a club slip indicating your preference as soon as possible.

Clubs will end on the 29th of June 2023. If you have any queries please do not hesitate to contact me directly or alternatively via the club's email.

# Friday Stars !

## Reception

Reception's Friday Star is Leila. Leila always works hard in her reading and comprehension tasks. Well done Leila!

## Class 1

Class One's Friday Star Alex. Alex has worked brilliantly during his maths sessions, learning all about fractions.

## Class 2

Class Two's Friday Star is Sam T! Sam has shown a great attitude towards all of his work this week. He has been super motivated and has really impressed us.

## Class 3

Class Three's Friday Star is Javier! This week we have been learning to write comparative sentences using contrasting conjunctions and I have been incredibly impressed with Javier's ideas which have translated brilliantly into his writing. Amazing job! Keep up the great work!

## Class 4

Class Four's Friday Star is Sienna. Sienna has worked so hard this week in maths. She has really impressed us with her dedication to learn to tell the time and explaining how she worked it out. Excellent work this week Sienna.

## Class 5

Class Five's Friday Star is Massine. For repeatedly showing a real love for his learning, by putting his hand up to answer questions with a real maturity for his age, with increasing confidence and accuracy to his explanations within the right context and terminology. Well done and keep it up!

## Class 6

Class Six's Friday Star is Ahmad. Ahmad showed so much resilience this week on our trip to the Velodrome. Despite some initial hesitation, Ahmad was very confident by the end of the trip and a proper have a go hero!

## Dojo Winners

With **347 points**, this week's

Class dojo winners are:

### **Year 5!**

You got most of your dojos this week for your active listening and being on task. Excellent job and keep up the hard work!

## Saints and Workers of the Week

Each week, the staff nominate children to be our Saints and Workers of the Week.

**Saints of the Week** are children who have worked really hard to live out our Christian school values:

- We work well together
- We are prepared and helpful
- We are resilient
- We are there for one another
- We celebrate each others' success

### Saint of the Week

Genesis, Year 6

For helping her friend and being supportive when they hurt themselves.

### Worker of the Week

Arelie, Year 3

An amazing effort in her maths work, telling the time.
