## British Science Week

St Jude's have been celebrating British Science Week. We have had a range of events taking place with every class being involved in school trips and having external guests come to talk to us.

This year's theme is Connections and we were able to explore this through inviting STEM ambassadors and parents in to talk to the children about their careers. Year 4 had a talk from a neuroscientist this week; Dr Langley was so impressed with their questions about the brain!

## British Science Week

Our parents came into discuss their jobs and links to STEM. We are so grateful for your time and the children loved being able to learn more about science related careers as well as explore all of the amazing resources.

## British Science Week

We have had an assembly from Climate Education to discuss looking after the world with the children as part of our celebrations too. We also have had a gadget shop to raise funds for our science resources and a raffle prize too!

Reception, Year 1, Year 2 and Year 3 have all visited Brockwell Greenhouses to take part in an edible garden workshop and made connections between

A selection of Year 4 children visited Richard Atkins Primary School for a Science Explosion. They worked as a team to host a stall explaining their science learning this year. Years 5 and 6 visited St. Martins in the Field to take part in their primary STEM workshops. We have had a wonderful time celebrating and thank you for your help!

# Spanish Culture Day!

On **Thursday 23<sup>rd</sup> March** St. Jude's will be celebrating with our first Spanish Culture Day.

The children will be having a carousel day of different activities. We will be looking at Spanish artists, learning Spanish stories, poems and about the geography of Spain as well as playing games and role playing to help us with our Spanish vocabulary. We are inviting our children to **come to school dressed in the colours of the Spanish flag (red and yellow) on the day.** **Please bring a donation of £1**—all proceeds will go straight back in to our Modern Foreign Languages curriculum!

We would love for the parents and carers of St. Jude's to help us celebrate.  
You can help participate in the day by:

- ⇒ Taking part in a whole school assembly on **Thursday 23<sup>rd</sup> March**
  - ⇒ Reading Spanish stories to different classes
  - ⇒ Sharing Spanish songs with different classes

If you are available and keen to be involved, please contact Miss Appleby via the school email address.

## Easter Service

9:10 (leaving school) - 10:30 (return to school)

This year we will be having our Easter celebration in St Matthews Church, Brixton. This will be an amazing opportunity for us at St Jude's to celebrate Jesus' life, crucifixion and resurrection, in our local church.

The service will be run by our Faith Group, along with Reverend Stephen.

Unfortunately, due to limited space in the church, we will not have seating for all parents. As a result, only those parents who are helping to walk the children over to the church, will be able to stay for the service.

Please do let your class teacher know if you are able to help as soon as possible.
