## What have Year 2 been up to?

This week Year 2 have been celebrating D&T week. We have been learning about a balanced diet and preparing food. We have discussed the different food groups and trying to make sure our wraps have food from each food group included. We then got to eat them – we thought they were delicious!

## Year 6

We celebrated Year 6 last week in their Leavers' Service, as they read memories of their time in St Jude's and received their graduation certificates. We are so proud of them, their hard work and all their successes during their time here. Well done!

Then we said goodbye to them this morning as they set off on their Year 6 residential to Fellowship Afloat.

We hope they have a fantastic time!

## MoneyWise Challenge

Our Year 5 children enjoyed the Dot Dot Fire Moneywise Challenge at ExCeL London recently. They were learning about how to manage your money whilst playing games and competing against other schools. This was such a fantastic opportunity for our children, using their maths knowledge and skills in a real life context!

## Sporting successes!

We have thoroughly enjoyed our opportunities to compete in various sports competitions recently, including the key stage 2 Windmill Cluster Cricket and Football Tournaments.

In the Cricket Tournament, our girls' and boys' teams worked together superbly, bringing home the winners' trophies in both competitions.

We are really proud of Dezhiah and Lochie who came home with the Player of Match trophies for their performance in the Football Tournament. You were brilliant ambassadors for our school!

## Message from the PTA

### Looking after the chickens over the Summer

We are looking for people to take care of our lovely chickens over the summer. There is already a group of parents who are on a rota but we'd love a few more people to join our group to help out over the long Summer holiday.

It doesn't require much time - just about 30 minutes to collect the eggs and give them some food and water and replace some bedding if needed.

If you are interested please get in touch with Jane  
(Alex Y1 and Erin Y3)
