## What has Reception been up to?

This week in Reception we have been reading the story of Goldilocks and the three bears. We have used the different teddies to help us retell the story and used props to help us write our initial sounds.

We have been using our counting puppet to help us count objects using 1:1 correspondence and writing our numbers.

In maths we have been learning about matching. We have been matching the different pictures from Goldilocks and the 3 bears to help us see what is the same and different.

## Multicultural Day

We are very excited to be celebrating  
**Black History Month** this October. As part of our  
celebrations, we will have a multi-cultural day on  
**Tuesday 31st October.**

This will be an opportunity for children to wear  
clothing that represents their own  
culture and background (this could be traditional  
clothing, colours of the flag or key figures) and  
partake in activities that celebrate black culture  
and learn about key inspirational figures.

We ask for a donation of £1.00 per child, which will  
go towards funding resources to make these  
themed days memorable and  
possible.

We look forward to seeing you there!

## Message from the PTA

### SAVE THE DATE for PTA Autumn meeting.

Please join us for our first annual PTA meeting on **Friday 20th October** at 9am onwards in the hall.

We welcome all parents and carers, especially anyone new to the school! Do come along to find out more about the PTA, upcoming events and how you could contribute! We look forward to seeing as many of you as possible!

Thank you for contributions and donations to the Cake Sale on the 29th of September! It was a great success! All funds raised will be going towards fundraising initiatives to support our children in school!

## Harvest Festival

Each year at St Jude's we celebrate Harvest Festival by reflecting on those who do not have enough food and being thankful for what we have. Last week Rachel from Norwood and Brixton Foodbank came and spoke to us about the ways we can help those who are not as fortunate as us.

This year we are collecting for the Foodbank and ask families to donate what they can. Everything that is collected will be delivered to the Foodbank. Rachel gave us a list of what they would find most useful:
