Steve Frew

What an inspiration!

It was great to welcome professional gymnast, Steve Frew, to our school last week.

Each class did a sponsored fitness event, which involved several circuit activities, led by Steve and his colleague Nicola. Everyone did a fantastic job and they definitely deserve all your sponsorship!

Following this we were lucky to spend an assembly with Steve, in which he talked about his successes, challenges and journey to winning gold. He emphasised the importance of believing in yourself and never giving up!

None of us could have prepared ourselves what came next...as he showed us some of his gymnastic skills. One of which involved a dive forward roll over children and staff!

After this, our children in year 4,5,and 6 had the opportunity to meet Steve and ask him some questions in their classrooms.

The morning was an unbelievable opportunity for our whole school community and one that we will not forget for a long time!

A Special Visitor

We had another special visitor to St Jude's this week—Abrilli Philip came to see our wonderful school in action. Abrilli is the Director of Education in Lambeth; she loved coming to meet our children, staff and even a professional gymnast on the same day. It was excellent to welcome such an important member of our local community into our school and we hope she will be back soon!

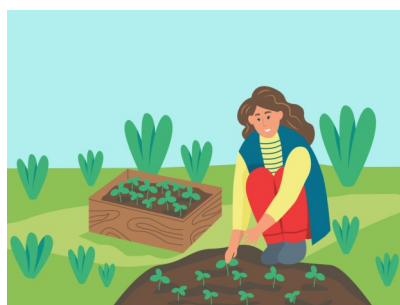

We Need Your Help!

Important Reminders

Questions and Concerns

If you have a question or concern about your child's learning or something that may have happened whilst your child was at school, we ask that you approach your child's teacher directly to discuss this.

Our staff are more than happy to speak to you at the beginning of the day or make an appointment to have a longer conversation at a more convenient time. If you are unable to catch them face-to-face, please send an email to your child's class teacher via the school office using the email address admin@stjudeslambeth.org.

Front Gate

We ask all parents and carers to support us by ensuring that the front gate is closed behind them when entering and leaving the school premises (unless there is a member of school staff stood at the front gate). This supports us to keep our children and staff safe at all times.

Second Hand Uniform Sale

We are sorry that the second hand uniform sale was unable to take place on Friday 29th September. We are hoping this will be rescheduled in the near future! Watch this space...
