

### English:

In our lessons we will be:

- reading quality texts, such as Dinosaurs and All That Rubbish, and using them to inspire our own writing
- learning to improve our choice of adjectives
- learning to use conjunctions to extend our sentences
- learning to use apostrophes in our writing to show possession
- learning to use different suffixes to create new words
- writing for different purposes, writing persuasive letters for people to protect the environment!

### PE:

- In outdoor PE, we will be practising athletic skills ready for Sports Day.
- In indoor PE, we will be practising gymnastic skills.

### Science:

This half term we will be thinking about the environment. Our learning will focus on materials and their properties, particularly if a material can be recycled or reused!

We will also be looking at how animal habitats can be damaged and destroyed by litter.

### Music:

- We will be focusing on pitch and our performance skills this half term
- We will be using inspiration from our wonderful world such as using the sounds of water to help us create music

### Computing:

In computing we will:

- Be learning about algorithms using different resources to help us
- Be learning about programming

### Design Technology:

- We will be learning simple sewing patterns.
- We will be looking at joining techniques
- We will be creating simple pouches.
- **Food Technology:**

We will be making healthy fruit smoothies!

### Humanities:

In our Humanities lessons we will be:

- using maps to help us plan routes and creating keys
- exploring aerial views of different parts of the world
- learning about significant individuals who have helped our world

### Maths:

In our maths lessons we will be learning about:

- Time
- Position and direction
- Statistics

### Spanish:

We will be learning about vocabulary linked to the beach and we will be consolidating our learning from the year by revisiting different stories in Spanish.

### Personal, Health, Social and Citizenship:

Our Jigsaw topic this half term is 'Changing Me'. We will be thinking about and discussing how our bodies change as we grow older.

### RE: Why is it good to listen to and remember the stories Jesus told?

We will be learning about the Parables Jesus told and the meaning behind them.

## Year 2 Summer 2 Our Wonderful World

*This half term the children will be visiting Herne Hill Velodrome and Brockwell Park.*
