Thought of the Week

"We love ourselves because he first loved us."

1 John 4:19

This Bible verse speaks about self-love and reminds us that we should love ourselves because God loves us.

Every person at St Jude's is special in their own way, and everyone has something that makes them, them!

This could be your interests and hobbies, your culture, your traditions, your sense of humour, your beliefs, the list is endless!

This year, in our **Summer Art Week and Exhibition**, the children focused on the theme '**What makes me, me**'. Each class studied a different artist and then each child created a piece in the style of the artist, but totally inspired by themselves!

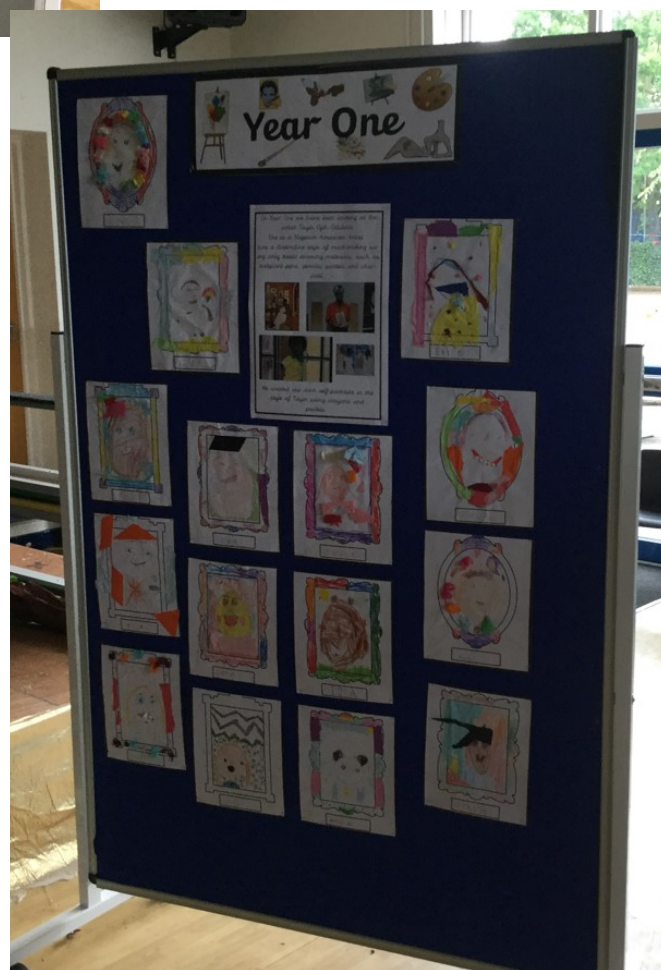

It was wonderful to display their creative work for everyone in our school community to see!

Year 5/6 Windmill Cluster Tournament

This week the St Jude's girls and boys football teams took part in the annual Windmill Cluster tournament. It was a wet and humid day but the conditions did not dampen our performances.

The girls played as a team for the first time. For the first few games they were getting used to playing together and pulled off two hard earned draws. Sadly, they lost the next game despite hitting the bar and post. However, for the last game they clicked and convincingly won 3-0 with Evelyn and Deziah producing match winning displays. They made it through to the semi-final where they unfortunately lost despite a heroic performance. I was really proud of their hard work, skill and spirit with Evelyn Chapman in Y5/6 picked as *captain of the tournament* in her last group game.

The boys entered the tournament confidently after finishing strongly in a futsal tournament last term. Like the girls, they drew their first two games as they got used to the slippery conditions. However, it was against Richard Atkins that they hit form scoring two great goals and playing some excellent football. There was a nervous wait as we were unsure if they had done enough to get through. Thankfully, they had enough points and made it to the semis to face Richard Atkins again. The preceding game finished 1-1 with Hamish and Charlie combining for the goal of the day. It went to penalties with Lochie doing his best to intimidate the opposition. It went to sudden death with Jorge scoring the winning goal. High drama in Brixton! We went onto the final where I believe we had exhausted our energy in the semis and lost 3-1 to a very talented team. I was really proud of the boys resilience, attitude and gumption with Louis picked as *player of the tournament*.
